lifeskills GO

Our Vision:

Every child has access to an effective, measurable and affordable social, emotional and physical education.

Our Mission:

To globally empower educators to prioritise, support and measure the development of social, emotional and physical literacy for our next generation of leaders.

We are pleased to announce the release of **Life Skills GO** Version v2023.10.01, which reflects our continuing commitment to meet the evolving needs of our Schools, Teachers and Students.

This release includes major updates for teachers including all new, easily accessible Getting Started Modules, significant updates for Daily Summary cards and much more.

We strongly encourage your feedback so please always feel free to contact us at product@lifeskillsgroup.com.au with improvement suggestions or ideas.

Brand New Daily Summary - Class Teachers

The daily summary on the class dashboard has been updated to include more information about your student daily check-ins!

- We have now included **In a state of processing** and **Not quite ready to learn** in the middle summary.
- There is a new popup to see which students are **Ready to Learn** under the final summary ring.

New Look - School Staff Management

We have changed the layout of the **Teachers** section in the admin dashboard, making it clear what actions can be taken and providing some useful information via tooltips:

- See the edit, delete and resend invite options at the top of the page, enabled when you select staff members.
- A role tooltip helps to determine the right level of access for each of your staff!
