

Release Guide: Version 3.0

## lifeskills GO

#### **Our Vision:**

Every child has access to an effective, measurable and affordable social, emotional and physical education.

#### **Our Mission:**

To globally empower educators to prioritise, support and measure the development of social, emotional and physical literacy for our next generation of leaders.

In these challenging and uncertain times, the Teachers, staff and school executives in our community have amazed us, with pivoting the entire teaching and learning experience for students rapidly with dedication and calm.

It is to all the Teachers that we express gratitude:

- For your Courage and Creativity
- For being inspirational role models for our children
- For your kindness and caring
- For your understanding and patience
- For your presence

Ease of Use

#### For Teachers:

The Weather Report dashboard has had an upgrade!

- Class Graph gives you an overview of the wellbeing of students in your class with the colors representing our five emotional response categories. Individual student graph gives a comparative assessment of each student's wellbeing over time.

You can track and assess the emotional wellbeing of your students with new reporting features!

🔍 1300 889 018

#### For Teachers

- We have made improvements to the interface for adding school students to your class.
- You can now drag and drop .csv, .xls or .xlsx files to the modal to create new student accounts in your school.
- You can add students to your class from school list by clicking '+' button and remove them from your class by clicking '-' button next to their names.

# We look forward to continuing the journey with you, in providing our children with the essential social and emotional skills and mental wellbeing to thrive in life.
