## Our Vision:

Every child has access to an effective, measurable and affordable social, emotional and physical education.

## Our Mission:

To globally empower educators to prioritise, support and measure the development of social, emotional and physical literacy for our next generation of leaders.

We are pleased to announce the release of **Life Skills GO** Version 3.5.0, which reflects our continuing commitment to meet the evolving needs of our Schools, Teachers and Students.

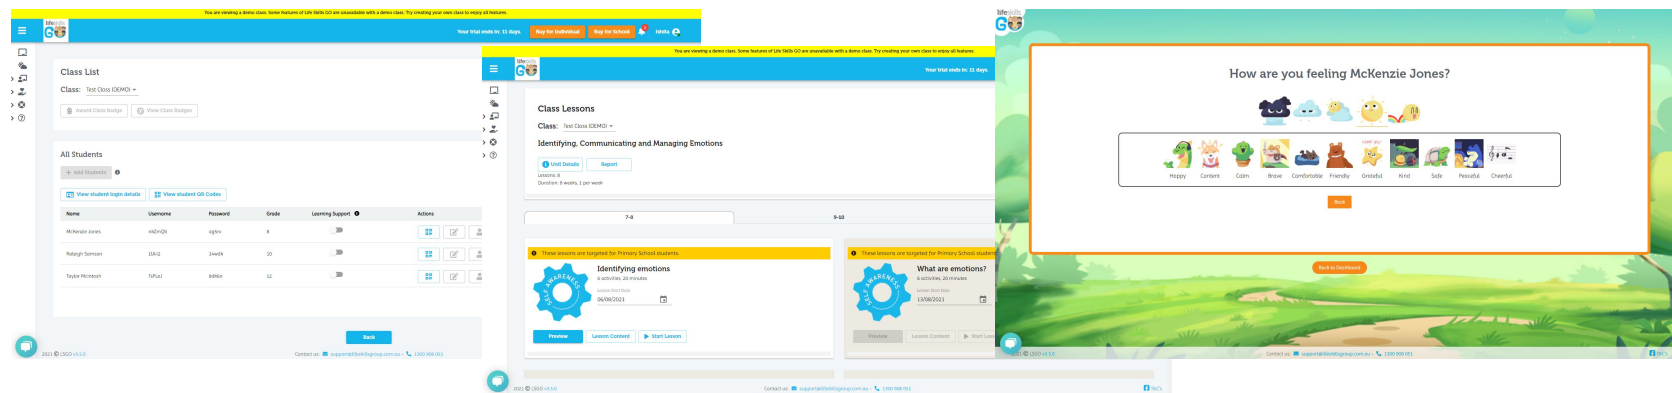

This release focuses on our commitment to provide social-emotional learning tools for our future leaders as we step in to begin supporting High Schools. Additionally, UI and structural updates have been made to enhance the user experience for Teacher and Student platforms.

We strongly encourage your feedback so please always feel free to contact us at [support@lifeskillsgroup.com.au](mailto:support@lifeskillsgroup.com.au) with improvement suggestions or ideas.

# Supporting High Schools

**Life Skills GO** is moving towards providing support for High School students. This release starts with providing the teachers the ability to add students in grades from 7 to 12. Teachers and students can access all the amazing features of Life Skills GO including Weather Report Check-ins, digital lessons, and reporting. We are recruiting up to 10 High Schools this year to provide feedback on evolving the platform to suit the needs of high school students better.

# Weather Report Comments for Students

## For Students and Teachers

- Teachers can toggle the feature to enable students in their class to add comments after a Weather Report check-in.
- Students may choose to share the reason behind their emotion by clicking one of the four common incidents.
- This will help in providing teachers additional context behind the incident or emotional reactions.
- The additional comments are added to the Class Weather Report History table
