

Release Guide: Version 4.0.0 24 September, 2021

lifeskills GO

Our Vision:

Every child has access to an effective, measurable and affordable social, emotional and physical education.

Our Mission:

To globally empower educators to prioritise, support and measure the development of social, emotional and physical literacy for our next generation of leaders.

We are pleased to announce the release of **Life Skills GO** Version 4.0.0, which reflects our continuing commitment to meet the evolving needs of our Schools, Teachers and Students.

This release includes a completely new teacher dashboard with exciting new features!

We strongly encourage your feedback so please always feel free to contact us at <u>support@lifeskillsgroup.com.au</u> with improvement suggestions or ideas.

GO Teacher Dashboard

Teacher Dashboard has an entirely new look and feel!

- To ease the navigation around the platform, buttons have been added for each section on the top navigation bar.
- Visibility over classes have been improved by moving them to the side menu.
- Resources have been arranged in categories for you to find the type of resource you need for the class at the time.
- For a quick view over student responses to how they are feeling, a class weather summary has been added on the main dashboard in addition to the detailed summary on Weather Report page.

- Roll Call has been renamed to Class Check-in. It still works the same way as before.
- Student Graph has been updated in order for the category colors to sit underneath the responses so that you can quickly see how your students are doing in relation to their emotional wellbeing over time.

Ease of Use

• To view data for a specific student, find their name by using the search bar.

Benefits

GO School Management Dashboard

School Management Dashboard has been updated to better assist our school administrators!

- School Administrator can switch their view to the School Management Dashboard and back to Teacher Dashboard by clicking 'School Admin' in the sidebar.
- For increased visibility over the school and individual class activity, the executive report has been added to the main dashboard.
- School Administrators can manage their teachers and students as well create and assign whole school units from the top navigation bar.

- A student's profile can be viewed, as before, by clicking the profile icon next to the student record in Students page.
- The student profile has been updated to include Weather Report History for the student across a selected date range.

When clicking on 'Add Student', there is now an excel template for you to download to make it easier for you to set up your class. Simply download the spreadsheet, fill in the details and upload it in the Add Students Modal.

Help Section can be easily accessed on the platform by clicking on the help icon next to notification bell in the top navigation bar.
